

Assignment for the week of May 4th.  
Create a drawing based on what you see  
outside one of the windows of your  
home. Feel free to add details that do not  
exist, but the drawing should be based  
primarily on what you actually see. Please  
submit by Friday, May 8.

I hope everyone is well, and I miss you all  
terribly.

May the force be with you.

Mr. Alouf
