

# General/Folk Music

## Ms. Hall

For the next two weeks, you will create a daily listening log for a song you listened to that day. This will be ten logs of responses to ten songs you have listened to from any genre of music—pop, rap, rock, country, classical—anything. Each response should include the name of the song, the band/artist, why you like it, and how it makes you feel/what it makes you think of.

### Examples:

Monday: Today I listened to Un Sospiro by Franz Lizst. I like it because the piano in this song is lovely and full of movement. It makes me feel calm and relaxed, and makes me think of being on a train, riding through the countryside on a beautiful, sunny day.

Tuesday: Today I listened to High Hopes by Panic! At the Disco. I like this song because Brendon Urie has an awesome voice and is a very talented singer. The words in this song are very uplifting and encouraging, and it makes me feel very inspired.

These logs may be written or typed. If you have any questions, please email me at [Emily.Hall@k12.wv.us](mailto:Emily.Hall@k12.wv.us), or send me a message on Livegrades.

Stay healthy, keep listening to music, and sing songs while you wash your hands!!!!!!
